

**NEW ZEALAND - BY SPECIAL INVITATION**  
 Vicki and Tony Briggs invite you to help them celebrate Coral Princess Cruises' 25th Anniversary on an official anniversary cruise discovering one of their favourite cruising destinations; New Zealand. Don't miss your opportunity to be one of just 70 guests to join Vicki and Tony aboard Oceanic Discoverer as we explore the unforgettable scenic highlights of the 'Land of the Long White Cloud'.

**NEW ZEALAND 'AOTEAROA' 12 NIGHT CRUISE - DEPARTS 28 FEBRUARY 2009**

In 2008/09 Coral Princess Cruises reaches another momentous milestone - our 25th year of introducing guests to Australia and the South Pacific's most exotic and diverse cruising destinations. Following our memorable Anniversary cruise throughout the islands of Melanesia earlier this year, Vicki and I again invite you to join us in New Zealand in February 2009 to help us conclude our 25th Anniversary celebrations.

Our dream has long been to share with others the opportunity to experience at first hand the great beauty, diverse culture, dramatic landscapes, scenic coastlines and remote islands of New Zealand in the same way the early explorers did - from the deck of a ship. Throughout this special 25th Anniversary cruise, together we will discover the unforgettable wonders of this beautiful country aboard our state-of-the-art small-ship Oceanic Discoverer, the new benchmark in luxury expedition cruising in the South Pacific.

This 12-night voyage of discovery is an in-depth exploration of both the North and South Islands and features the opportunity to experience New Zealand's unique flora and fauna, interact with traditional Maori cultures and discover rarely visited scenic attractions only accessible by small-ship.

Vicki and I look forward to personally welcoming you aboard in New Zealand.

# Bay of Islands - 5 Nights

Multi award-winning Coral Princess Cruises invites you to join us in discovering the very best of New Zealand's beautiful North Island and the Bay of Islands on an unforgettable five-night luxury summer cruise throughout the country's most popular holiday region.

It isn't hard to see how this scenic wonderland earns its reputation in the 'must do' itineraries of the most seasoned travellers. From the decks of our luxury small-ship Oceanic Discoverer, we reveal the hidden treasures of the stunning North Island; dramatic coastlines, superb clear watered harbours, sub tropical islands and secluded sandy bays, amongst other sights that most visitors never have the chance to see.

You'll soon feel right at home as we explore one of the world's most spectacular cruising destinations aboard a vessel whose ambience is that of a private yacht. Accommodating just 72 guests in spacious, modern staterooms featuring eye-catching Italian-style bathrooms, Oceanic Discoverer's elegant surroundings, friendly crew and small number of guests ensure an exclusive and personalised cruising experience like no other.

Throughout your cruise our experienced Cruise Leaders and Guest Lecturers will share with you their wealth of knowledge as we retrace the paths of early explorers and discover areas seldom visited. Our specially designed excursion boat 'Xplorer' allows us access to the hidden gems of the region that are largely inaccessible to most water craft.

# Across the Top of Australia - 11 Nights

Across the Top of Australia is an amazing 11-night exploration of the unique and remote Northern Australian coastline, combining the very best of the 'Top End', the Great Barrier Reef, the northern 'Tip' of Australia on the Cape York Peninsula and the ancient indigenous cultures of Arnhem Land and the Tiwi Islands.

The northern reaches of the Great Barrier Reef are the most remote and pristine areas of this magnificent World Heritage-listed marine park. Our journey follows in the footsteps of Captain James Cook's voyage of discovery into the communities and cultures of this remarkable coast. Here, nature is an all-powerful force: monsoons rejuvenate the rivers and floodplains, bringing wealth to the cattle ranchers of the savannah lands and providing the lifeblood to the inhabitants of sleepy coastal towns. Join an experience that will see you encounter the Top End from the comfort and style of our superb expedition cruise vessels. Be quick to secure one of the last remaining cabins for 2008!
